

Risk Assessment form July 2022

All walks leaders send out an e mail approximately 2 weeks before the date of the walk inviting group members to join the walk. This e mail should now cover the following headings as well as arrangements for the walk (which most people do in the first instance already) so there is no need to fill out a separate risk assessment form at a later stage.

Summary of walk

Where, when, meeting point, arrangements for lunch etc. Distance, timings etc. Brief description of walk and clothing/footwear/equipment recommended.

We have carried out a risk assessment as part of our recce on (*Date*) and have identified the following potential hazards as well as the actions we have taken to get around these.

Number of stiles plus any particular issues with these

Please summarise

Busy roads

Please summarise

Livestock

Please summarise

Steep, slippery or muddy sections (up or down), included any potential flooded areas and streams to cross

Please summarise

Cliffs/sheer drops

Please summarise

Any other important points to note

Please summarise
